Dear Dr. Hwang:

Congratulations! The College of American Pathologists (CAP) is pleased to inform you that the medical laboratory you direct, PhenoPath Laboratories PLLC Main Laboratory, in Seattle, Washington, has successfully met the Laboratory Accreditation Program Standards for Accreditation in the area(s) listed on the attached sheet. Your Certificate of Accreditation is enclosed.

The Accreditation Committee congratulates you and your entire staff on this achievement as together you provide excellence in laboratory medicine services. This is a significant accomplishment and I encourage you to share the inspection results with your organization's leadership.

Please retain this letter and list of accredited services in your records, as this is your official notification of accreditation. Accreditation is maintained through continuous compliance with the Terms of Accreditation contained in the attached document.

CAP-accredited laboratories have exclusive access to accreditation resources which include checklist Q&As, templates, archived Focus on Compliance webinars, and toolboxes that help simplify and clarify compliance as well as help prepare for future inspections, including self-inspection.

Thank you for your laboratory's commitment to continuous quality improvement. As your trusted partner, we look forward to working with you in the future to help you achieve the highest quality service and standard of care for the patients you serve.

Sincerely,

Kathleen G. Beavis, MD
